

TIG Solutions Limited

Quality Policy and Objectives

The Management of TIG Solutions Limited has a policy of continual improvement. In line with this policy we recognise the benefits of operating our business in accordance with the requirements of ISO 9001:2008.

It is the Title's aim to ensure that; TIG Solutions Limited complies with and fully embraces the spirit of the requirements of ISO 9001:2008. This will enable our company to maintain a structured and consistent approach to business, maximise internal efficiency, invest in training and development, and to maintain, through its adoption, the very highest standards of Customer care possible.

It is the Title's belief that; adopting the procedures implicit within ISO 9001:2008 will enable us to increase TIG Solutions Limited's operating efficiency, minimise wastage and hence improve profitability, whilst maintaining and continuously improving the levels of customer satisfaction and employee development.

Our objective is always to; achieve total customer satisfaction with the product we offer by understanding the customers, as well as statutory and regulatory requirements, in an environment of continuous improvement, so customers continue to choose TIG Solutions Limited as their preferred supplier and also confidently recommend our company to other potential Customers.

This policy statement is understood and followed by all personnel employed by TIG Solutions Limited.
